# RELIABLE & COST EFFECTIVE STORAGE AND DISTRIBUTION

Our warehouse is located in Southport, boasting excellent access to major motorways along with a short commute to Liverpool Port and Liverpool Rail Terminal.

Our positioning secures greater cost savings per sq ft of warehousing space enabling us to pass these savings on to our customers.

Freight Negotiate Ltd is well equipped for various types of warehousing requirements, specialising in DJIT order fulfillment, export consolidation and UK/ European Distribution. Our warehouse benefits from two isolated inspection rooms for successful pick & pack / inspection / order fulfillment.

Whether you are looking to fully outsource your supply chain or simply house idle stock, we can provide you with a tailor made package to suit your requirements.
